

Tattoo Location

The tattoo has to be made on inner part of the upper left arm. Centred between armpit and elbow. Location is fixed and can't be replaced.

Inner Part Of The Upper Left Arm

Proof of Ink Evidence

The customer is required to have proof of ink evidence from the tattoo session. Assisting the customer in obtaining the evidence will be appreciated but not mandatory

Documentation video

Filming has to be started once most of the tattoo has been performed

Final Tattoo Photo

Close up picture of the fresh tattoo exposed
